

LIBRARY STORAGE SOLUTIONS

MODERN LIBRARIES, **UNLIMITED LEARNING.**

Nothing is more inadequate than an unread library. These spaces are intended to be **community hubs for knowledge, technology, and history.** Our storage solutions improve your library to more than just a bookstore. We develop libraries into one-of-a-kind learning centers that enlighten patrons to a world of **wonder and fascination beyond book reading,** and keeps calling them back for more.

Archive Storage

Digitization

A STORY OF PAST, PRESENT AND FUTURE.

We approach each problem in a new light, solving storage issues by **researching, developing and implementing the most engaging solution for your patrons.**

Our quality craftsmanship is carried through every step of the process, so we're able go **above and beyond the industry standard.**

“The installation team was great. We completely trusted them to come and go in the department with the Library’s most valuable materials.”

Linda A. Naru | Assistant University Librarian
UIC University Library
