## CONTACTLESS BOOK **PICK-UP & RETURN.**

A locker that could open with the push of a button was once a thing of fiction, but today, it's a reality. These modern-day containers have functionality like never before. **Open lockers with your phone, your library ID badge, or a building's RFID key,** the possibilities are incredible. With smart lockers in your library, you'll be able to provide patrons with 24/7 automated support year-round for renting and returning books thanks to the functionality of these locker banks.

A photograph of a modern library interior. On the left, there are several tall wooden bookshelves filled with books. In the center, a white desk with a black chair is visible. A person is sitting at the desk, looking at a tablet. The background shows more library shelves and a bright, open space.

Library Furniture

A photograph of a large, dark-colored self-service kiosk. The kiosk has multiple compartments and a screen. Text on the kiosk includes "PICK UP YOUR LIBRARY MATERIALS HERE" and "OAK PARK PUBLIC LIBRARY". There are also instructions: "1 Place holds online", "2 Pick up here", and "3 Enjoy & repeat!". A white line drawing of an open book is on the right side of the kiosk.

Indoor/Outdoor Use

A close-up photograph of a self-service kiosk with a large, clear window. Inside the window, a book is visible. The kiosk is white and has a modern, clean design.
